

One and a Half Hour CFE for Foresters

Webinar Available

Timber Tax Tips

Same Content for Two Dates:
Wed., February 24 or Wed., March 17, 2010
12:00 Noon – 1:30 pm Eastern Time
No Registration Required

Presenters: Dr. Linda Wang, National Timber Tax Specialist, USDA Forest Service

Dr. John Greene, Research Forester, USDA Forest Service

Mark Batson, Industry Technical Advisor, Internal Revenue Service

Tax filing tips for timber transactions for the 2010 tax season, new tax form and incentives and the latest IRS regulation on timber

Target Audience: foresters, landowners, agency staff and leaders, extension agents, tax professionals

First Time Attendees

- The webinar will require a software called “**Illuminate**”
- To install, please go to: www.illuminate.com/support
- It takes about 2-20 minutes
- Preferably install it **at least 24 hours in advance** of the live webinar
- Check that you have **Java** installed (the screen will tell you how to download it)
- Make sure your **speakers and/or microphone** work (Enter the “**Configuration Room**” to test your audio setup).
- Do the “**Recorded Introduction**” to get an overview of using Illuminate (taking 5-10 minutes)

On the Day of the Webinar

1. Please go to: <http://forestrywebinar.net> at 11:45am Eastern time
2. Click on the Timber Tax Tip webinar link
3. Enter your name to login (no password is needed)...follow instructions for SAF CFE credit if desired.
4. The webinar page will then load (using Illuminate software)

Web access will be addressed 15 minutes prior to the beginning of the session.

For those with firewall blocking, getting your IT support to test the day prior to the event (this is rare normally).

Technical questions should be addressed to Bob Bardon (Robert_Bardon@ncsu.edu, 919-515-5575).

Program questions should be addressed to Bill Hubbard (whubbard@uga.edu, 706-340-5070).

Brought to you by: USDA Forest Service, NC State Forestry Extension, Southern Regional Extension Office, Texas A&M AgriLife Extension and Internal Revenue Service
